

## Commemorative Bench Program

*The Commemorative Bench Program allows the public to pay tribute to a person(s) or occasion by purchasing a park bench for installation in a public park. A similar program exists for Commemorative Trees.*

To order a commemorative bench for installation in the West District of Parks & Recreation (former Etobicoke & York), complete this application, and mail it, with your payment, to the address listed below.

Please note that some parks may not be available for Commemorative Benches as they may already be at capacity or may have other site restrictions. As well, certain special designed parks may require "special" benches that have their own unique design and cost. City staff will advise you accordingly should your preferred bench site be in one of these special parks.

If a location for your bench cannot be mutually agreed upon, your money will be refunded.

**For more information on the City of Toronto's Commemorative Bench Program in the West District, Parks & Recreation, please call 416-394-8556.**

Benches are installed in the spring, summer and fall within 12 months of receiving the application. Bench installation dates cannot be specified. Final choice of bench style and location is to be determined by the City. In some cases, you may be required to attend a site visit.
